

Saint Joseph's Newsletter

5th February 2010

Please help the school by:

- Not coming into the school building if you are collecting children from after school clubs. We have had items stolen from the school premises and we need to keep the site secure. This is also the time when the school is being cleaned and so it is not very helpful to have extra adults/children waiting in the building.
- Not parking in Redcross Way during the road improvements
- Sending in a box of tissues. These are really needed at the moment as we have lots of runny noses in the building!!
